# Geneva Polo Club

The Geneva Polo club is **located just minutes from downtown Geneva.**

The club was founded in 2008 on a **30-hectare estate** comprising **2 immaculate grass polo fields** and is the perfect place to play or spectate the fast and exhilarating sport of POLO!

**The friendly and relaxed atmosphere** enjoyed by our 50+ players & members, as well as the high-quality facilities and services provided by the GPC team allow players, partners and the public to enjoy tournaments and daily training sessions from May to October.

During the winter months, the club remains active playing both abroad and in Europe (snow polo), as well as hosting high-end social events.

If you or your company are looking for **innovative events and premium exposure**, we invite you to **contact our marketing team** and we look forward to welcoming you to the club!

# I. Club House :

This site has a capacity for a **wide range of private events** (such as wedding, parties, anniversaries...) but is **also open to companies for their end-of-year evenings, seminars, or other.**

The Club House features authentic Chesterfield-style furniture and polo world artifacts.

The Club House is located on two floors and has **a working kitchen and a bar** on the upper floor. On the ground floor, there are WC's, an antique "babyfoot", and a lounge area. There is also a spacious terrace with a "Kincho" barbecue.

# Field 1 :

## Private and professional events

### Field n1

Located at the far end of the village, nestled between the stream and the view on the distant alps. This location carries a very serene and private feeling. The surrounding pond, woods, and scattered crop fields in the distance display a variety of colors and pleasant smells. The field is smaller and as such is ideal for exhibition matches where the action is closer to the crowd. This field has been the venue of choice for a number events over the past years from weddings to birthday parties to sponsored theme galas and charity fund raisers.

# Field 2: Private and professional events

## Field n2

Showcased prominently along one of the most highly frequented arteries leading into Geneva, these immaculate grounds are located along a scattered line of ancient oak trees where guests can enjoy natural shade as well as our fully equipped tree bar! For a birds-eye view on the polo match, walk the skybridge over to our large tree house with 10m suspended access ramp. It' not just for kids!
